

Community Service

Everybody knows that Service is an important part of Scouting. It is also one of the 13 “Journey to Excellence” measures.

“Scouting’s Journey to Excellence” is the BSA’s new council performance recognition program designed to encourage and reward success and measure the performance of our units, districts, and councils. It is replacing the Centennial Quality Awards Program as a means of encouraging excellence in providing a quality program at all levels of the BSA.

Unit recognition levels for service project participation are shown below. It is our Council’s goal that each unit achieves the GOLD level for Service Projects during the charter year.

Number of Service projects:	Bronze*	Silver*	Gold*
• Packs	2	3	4
• Troops	4	5	6
• Crews	2	3	4

* One project must benefit the units chartering organization.

The projects and hours must be entered on the Journey to Excellence website at - <https://scoutnet.scouting.org/gtfa/ui/security/login.aspx>

If you do not have an account, go to - <https://scoutnet.scouting.org/gtfa/includes/files/popHelp.htm> for new user instructions.
